

The fight for justice and to guarantee and protect the human rights, especially the poor and disadvantaged, this is a fight that DYM Brazil intends to participate.

Therefore, we present a note written by the **Pastoral Land Commission** (CPT), in which various complaint " outrageous " decision against the peasant families living in the Tau plot in the municipality of Barra do Ouro (TO).

The **MJD Brazil** prays and offers farmers excluded and disadvantaged by the (in) Justice trying to silence them. Although physically distant, we do next in communion and clamor communities in hope and God's company.
